STATUS REPORT ON SETTLEMENT EFFORTS

The parties are working together cooperatively in an effort to resolve this case by means of settlement. To this end, each party has provided at least two good-faith offers of settlement. Plaintiffs' most recent offer is being evaluated by the defendant.

While being amenable to mediation, the parties believe a settlement conference with the Magistrate Judge would be more effective in assisting the parties. The parties believe such a settlement conference would be most effective immediately following the filing of dispositive motions. The parties will continue to negotiate in good faith, and will apprise the Court in the event a settlement is reached.

Respectfully submitted,
